

My Rock and My Redeemer

Rebecca Dennison

G

All I feel is broken

C G

And weary to the bone

C Em C D

I've given up the fight and found I have no strength to carry on

C D

Let me run to you

G C

Draw me close and hold me tight

Am

Be the strength that I don't have

C D

And in my weakness shine

G C

You are my Rock and my Redeemer

G

My Refuge sure and strong

C Em

My faithful loving Father

C D G

You are my Shelter in the storm

(second time G7)

I find myself a captive

Of the same old tired lies

The ones that say I'm hopeless

Not even worth a try

Let your truth run through me

Set me free I know you can

Take my soul, make me whole

To seek your face again.

(Bridge)

C Dm Em C D

Vs. 3

G

Teach me Lord to trust You,

C G

Instead of my own strength

Em Am

To find my worth in Your love alone.

C D

And my hope within your grace.
